COMMISSIONER'S STATEMENT

Southern California ASA (So Cal ASA) is an affiliate of ASA/USA Softball, the National Governing Body of Softball in the United States and a United States Olympic Committee (USOC) voting member. Southern California ASA organizes youth clinics, umpire seminars and conducts national qualifying tournaments in slow pitch and fast pitch for men, women, coed and youth.

Southern California ASA is a non-governmental and non-profit organization. We are staffed by volunteers dedicated to the advancement of softball at all levels of play. Our funds go to the administration of activities and other related events that benefit our membership, including clinics, grants and scholarships. Southern California ASA is responsible for all financial obligations in the operation of the program. This association is self-supporting and does not receive any sponsorship funds from National ASA/USA Softball.

I am very fortunate in having a dedicated staff who devote many hours, days and months in making Southern California ASA one of the best softball programs in the United States. The Southern California ASA staff attends many program planning meetings, district meetings, tournaments, clinics and seminars. From January to December the Southern California ASA staff are always working at something that will make a better program for our teams and umpires. For their dedication, my thanks and appreciation. To the many managers, coaches, players, parents and umpires goes a big thanks, it's you that make Southern California ASA successful.

To all, I wish you a very enjoyable and successful softball season.

SOUTHERN CALIFORNIA AMATEUR SOFTBALL ASSOCIATION

Affiliating your team(s) with ASA makes you a vital part of the National Governing Body of Softball. Your team(s) will enjoy the following:

GOVERNING BODY: ASA is the governing body of softball in the U.S. as approved by the Congress of the United States and accepted as the National Governing Body (N.G.B.) by the U. S. Olympic Committee and the International Softball Federation. As the N.G.B., ASA represents the game of softball for the United States of America.

UNIFORM ELIGIBILITY AND PLAYING RULES: All ASA teams are governed by the same playing and eligibility rules, thus insuring your team fair competition in championship tournaments. Player eligibility is governed by ASA National Codes and further defined by Southern California Rules and Regulations.

CERTIFIED UMPIRES: ASA umpires must attend annual rules seminars and mechanic clinics, pass a written test and meet other requirements before they can be selected for a championship tournament.

CLASSIFICATION OF TEAMS: Southern California ASA has established a classification code to regulate teams and players with dominating ability from playing in a lower classification. Players and/or teams can request to be reclassified before they are eligible to compete in a lower classification.

CHAMPIONSHIP COMPETITION: A championship tournament may be held for the following divisions and classifications: 'A', 'B' and 'C' 10U, 12U, 14U, 16U, 18U, GOLD.

JR. OLYMPIC CLASSIFICATIONS: December 31st age cutoff.

'Gold' (18U): This classification will include the most advanced Junior Olympic girls fast pitch players and teams in the United States. Many of these players have the potential to become a member of the USA Olympic Softball Team. Qualifying teams at this level will advance to 'Gold' National championship.

'A' Travel: The level of this competition is highly competitive with most players having consistent ability and pitchers capable of controlling a game. Winners of this level of competition advance to 'A' Nationals.

'B' League All-Star: This level is for recreational leagues only. Either league teams or league All Star teams are acceptable. District Tournaments will be held with a set number of teams advancing to the Southern California ASA League All-Star Championship. The top finishers in the All-Star Championship will advance to the Western 'B' National Championships.

'C' League All-Star: This level is for recreational leagues only and is specifically for leagues that are not highly competitive. It is the intent of the 'C' program to establish meaningful competition for teams that are unable to compete in the 'B' program due to league size and/or skill level. Either league teams or league All-Star teams are acceptable.

PUBLICATIONS: Each manager will receive the Official Rules of Softball, Membership Card and appropriate newsletters.

INSURANCE: Southern California ASA, as a benefit of membership, provides Accident/Liability insurance to all individually registered players, teams, and/or leagues. Brochures may be obtained from SoCal ASA Staff Members.

INDIVIDUAL MEMBERSHIP: All players in Southern California ASA are INDIVIDUALLY registered.

MEMBERSHIP: Membership is open to any Manager, Coach, Player, Team or Umpire that pays the ASA annual dues and resides within the defined Southern California boundary and abides by the Official Rules and Regulations of National, and Southern California ASA.

PLAYERS ASSOCIATION: Membership is open to ASA team players that play on a team that is registered with Southern California ASA.

CHAMPIONSHIP TOURNAMENTS: Any team that is an ASA member in good standing and meets the eligibility requirements for tournament play may enter if the team is registered with ASA in the Jr. Olympic Program by May 1st. **NOTE:** Junior Olympic tournaments may be capped based on field availability.

COMPLAINT PROCEDURE

It is not the purpose of Southern California ASA to police our teams, coaches and players. When ASA National or Southern California Rules and Regulations are not complied with and a written complaint is filed, an ASA official will investigate the problem.

The following complaint procedure shall be used in Southern California.

1. An Official Complaint Form must be filed.
The form is available on our website at www.socal-asa.com. You may also obtain this form by calling your District Commissioner, Age Group Commissioner or the J.O. Commissioner. The complaint must have the following:
 - a. Names and addresses of parties
 - b. The rule alleged to have been violated.
 - c. All supporting evidence and/or documentation forming the basis of the complaint.
2. A non-refundable money order or cashier's check in the amount of \$50.00 made out to So Cal ASA must be included with the Complaint Form.
3. Evidence substantiating the violation must accompany and be listed on the complaint form (witness statements, documentation, photos, etc). Witnesses to the violation must be named and their addresses and phone numbers listed in the complaint. Witnesses for or against the accused may testify at the hearing (limit four (4) each side). Written statements from witnesses unable to attend are acceptable.
4. A complaint will be acknowledged by mail from the J.O. Commissioner. If a Hearing is necessary, the Hearing will be scheduled within a reasonable time provided all required information is in order.

DISQUALIFICATION HEARINGS

A Hearing will be held if it is determined by the J.O. Commissioner or the Commissioner that reasonable cause exists to believe the complaint is valid. Violation of specific rules in the ASA Code requires a minimum disqualification time period. Other violations leave the penalty to the discretion of the hearing board or the Commissioner. All testimony will be considered in determining guilt or innocence and an appropriate penalty shall be determined when necessary.

It is possible that testimony received at the hearing will indicate leniency due to mitigating circumstances and in other cases, testimony may be received that necessitates a harsher penalty. When conducting a hearing, the ASA hearing board will consider the past record of the accused, including previous official complaints, and testimony given by those in attendance.

1. If a hearing date is set all parties will be notified in writing.
2. Either party (complainant or accused) may request no more than one (1) postponement. A new hearing date will be scheduled and parties will be notified in writing.
3. Four people for the accused and four for the accuser may give testimony.
4. If the accused fails to appear without notification and just cause, the hearing board shall proceed with the hearing and take proper action.
5. If the accuser fails to appear on the hearing date, the complaint may be dropped.
6. Southern California ASA is empowered to conduct necessary investigation into a charge brought against an ASA team, coach, player, sponsor or umpire as a means of proving or disproving the charges before, during or after the hearing date.
7. An ASA Commissioner or ASA Staff member who witnesses or has irrefutable evidence of a violation of the code at a tournament may immediately remove a player, manager, coach or team from further competition in that tournament immediately. A disqualification hearing may be held as soon as possible to determine if further action needs to be taken by Southern California ASA.
8. Any manager, coach or player disqualified from Southern California ASA will forfeit all rights and privileges given a member under the National ASA Code, Pacific Coast Region and Southern California ASA Rules and Regulations. The forfeit of said rights and privileges shall include, but not be limited to:
 - a. Representing himself or herself as an eligible ASA manager, coach or player to anyone affiliated with ASA Softball.
 - b. Practicing, managing, coaching or participating at any time with anyone affiliated with ASA Softball.
 - c. Recruiting for an ASA team.
 - d. Competing with or against any ASA softball team.
 - e. Disqualified individuals may not be on the field, score keep, be in or around the dugout, relay verbal advice or instruction or send signals to a team from any location.
9. If a complaint is upheld and results in disqualification or suspension, the individual(s) has the right to appeal as outlined in the ASA National Code.

Non-Compliance Penalty: A minimum of an additional twelve (12) months added to original penalty.

RECREATION LEAGUE FREQUENTLY ASKED QUESTIONS

- Q: There are "Pacific Coast Region" eligibility rules, "Southern California" eligibility rules and the National Codes. Which one has priority?**
- A: Eligibility rules start with the ASA National Codes. These are listed in the Official ASA Rule Book. The National rules that govern Championship Tournaments are very broad in scope. Therefore the Pacific Coast Region clarifies these rules as they pertain to our region, which includes California, Nevada and Hawaii. Regional rules may not conflict with National Codes. Southern California, in turn clarifies Regional rules to better suit our situations. The Southern California rules may not conflict with Pacific Coast Regional Rules. It's very similar to our Federal, State, and Local system of government.
- Q: Can a player play on a "travel team" and then play on the All-Star team?**
- A: She can participate on both teams but must stop playing on the travel team prior to March 31st. At that time she must decide which one is most important to her and play either 'A' travel or 'B' or 'C' Rec All-Stars.
- Q: How will Southern California ASA define "participate"?**
- A: As a player taking part in a practice, practice game, scheduled game, tournament or multiple tryouts for the same team. A single tryout is not participation, however, multiple tryouts are participation.
- Q: If she has signed with an ASA travel team, (player agreement form) does she need to get a release from her travel team manager?**
- A: No: It's her decision to make even if she has signed an agreement with the travel team (before March 31st).
- Q: What if she drops from her travel team prior to March 31st and then is not selected for the All-Star team?**
- A: She can re-join and/or re-sign with the travel team (per ASA travel team rules).
- Q: May a player participating on two teams in different recreational leagues be selected as an All-Star?**
- A: She may; however, she may only participate in one league as an All-Star player.
- Q: Can an 11-year-old player who played with a 14 & under team during the league season be on the 12-Under All-Star Team?**
- A: Yes, as long as she has not entered any ASA Championship Tournaments and meets all other eligibility requirements.
- Q: Can an 11-year-old player who played on a 14-Under Travel Team be on the 12-Under All-Star Team?**
- A: Yes, as long as she has not participated on the Travel Team after the March 31st eligibility deadline date and has met all other eligibility requirements.
- Q: Can a league team enter the Championship Tournament without the approval of the league board?**
- A: No.

Q: Do these eligibility rules apply to any All-Star team or invitational tournaments?

A: No, these rules only apply to the All-Star team entering ASA Championship Tournaments, or tournaments sanctioned by ASA. Invitational tournaments may use So Cal ASA eligibility rules. Check with the Tournament Director.

Q: What is Championship Play?

A: Is a tournament or competition from which the winner or the winner and other selected teams may advance to higher levels of play in ASA tournaments. (See “Levels of Championship Play” in the ASA National Code).

Q: What are ‘A’, ‘B’ and ‘C’ teams?

A: ‘A’ is an independent **travel** team; ‘B’ and ‘C’ are **recreation** level league teams.

Q: Why can’t a player play in both ‘A’ and ‘B’/‘C’ Championships?

A: It is not allowed by the national ASA Codes. The ‘B’ and ‘C’ programs are based on the players who registered with your league for RECREATION. Her primary goal is to have fun. If her (or her parents) primary goal is to develop competitive softball skills (emphasis on competitive), she needs to be on a travel team. ASA offers both programs but the player must decide which path she wants to follow this summer.

Q: Can our Southern California eligibility rules be changed?

A: Yes, they can be changed year to year. Keeping in mind that our rules cannot conflict with either the National or Regional rules, we encourage you to submit proposed changes in writing to your respective District Commissioner. Changes will be announced at the League President's annual meeting in November.

FREQUENTLY ASKED QUESTIONS

Q: What are National Qualifiers?

A: Each of the 15 Regions has one National Qualifier in each age group. Any team may enter and the winner goes to Nationals.

Q: How do I qualify for the ASA National Championship?

A: You must first participate in the So Cal Championship Tournament. If you do not qualify in a Regional Tournament or the USA/ASA Girls Class A Fast Pitch National Championship, you will then qualify for the ASA Girls Class A Fast Pitch National Championship.

Q: Will I need a Travel Permit to enter a National Qualifier in another state?

A: No, however, your team must have an Official Tournament Entry Form signed by the Age Group Commissioner, J.O. Commissioner or Commissioner. This form can be obtained from your Age Group Commissioner. You will still need a Travel Permit to participate in an Invitational Tournament outside of Southern California ASA.

Q: Can I talk with a player who is signed with another team?

A: If you know her personally, it is acceptable to discuss anything but playing on your softball team.

Q: Can I talk to this player about softball?

A: Not if it relates to her playing on your ASA team.

Q: What should I do when approached by a signed player, her parent or friend about leaving her team and joining another or mine ASA team?

A: Explain that she needs a signed release from her manager before she can talk to you or another ASA manager or coach.

Q: What if she (or they) tells me her manager will not release her?

A: Explain that there are two ways to be released: (1) by the team manager or; (2) by appealing to the ASA Review Board, if she has just cause. Tell her (them) to write a brief note to Lorrie Ivie, Director of the Players Association. Her address is listed in the staff section in this Yellow Book.

Q: What if she (or they) continues to talk to me about her dilemma?

A: Refer to the previous answer.

Q: Can I get a list of other ASA Travel Teams in my age group?

A: Yes, ASA team managers have a team list in their membership packet or contact Age Group Commissioner for most current list.

Q: Is a Manager and Coach one in the same in ASA?

A: No, the manager is responsible for the affairs of the team. This position has the final say in team decisions. Umpires will only address questions or problems from the manager.

Q: What is a Jr. Olympic 'B' or 'C' All-Star Tournament?

A: Jr. Olympic 'B'/'C' is the recreation league level, less competitive than 'A'. The 'B'/'C' leagues select All-Star Teams to compete in the 'B'/'C' Championship Tournaments. This program is 85% to 90% of Southern California's total Jr. Olympic registrations. It is the foundation of our program and the reason we have extra berths for Nationals.

Q: What is the Players Association all about?

A: It is Southern California ASA's avenue to inform players and parents and to get their feedback about improving the player's part in the ASA program. Southern California ASA Player's Association also provides scholarships to local players each year. Visit www.Socalasa-playersassoc.org
